Letter from the Chairman

Dear Shareholders,

It gives me immense pleasure to share with you the highlights of our Company's performance during the year 2015-16.

The year 2015-16 has been a tough year for Infrastructure sector. It is aptly said that when going gets tough, tough gets going. The mettle of your Company has been tested and we have come out with flying colours. I had informed in my last year's letter that the State Government of Maharashtra prematurely took over Mumbra Bypass Toll Facility in September, 2014 and we terminated Bihar DBFOT project from Mohania to Ara (total length of 117 Kms) due to continuing defaults of the Authority and this resulted in severe disruption of cash-flow, due to which, the Company had to go for restructuring of debt with Banks. Banks supported us by promptly restructuring the facility. We simultaneously applied to High Court pressing for compensation of ₹ 160 Crores awarded by the Tribunal and upheld by High Court. The Govt of Maharashtra in the matter of Mumbra Bypass partly deposited ₹ 58 Crores as per the orders of Bombay High Court. This entire fund was used to pre-pay the Term Loan of the Company, thereby reducing the leverage of the Company. Balance claim amount will also be directed by the High Court for payment. In Bihar project, again Hon'ble Patna High Court has ordered the State Govt to deposit the termination payment amounting to ₹ 610 Crores plus applicable interest as per the terms of Concession Agreement by September, 2016. On receipt of amount of these damages / compensation, the Company and its subsidiaries will be totally debt free.

The Company for the time being has decided not to bid for BOT or Annuity projects and to focus primarily on EPC/OMT/ Hybrid Annuity contracts, as the equity requirement is low. The Company has along acquired ₹ 252 Crores Moran Bypass project in Assam on EPC basis. Further, the Company has an OMT project of 205 Kms from Guwahati to Nagaon to Lanka in the State of Assam, which is to be commercially operational by September, 2016. The Company is also bidding for new EPC / OMT / Hybrid Annuity Projects to augment its order book. Your Company is very selective in project identification and bidding for only those projects, where EBITDA is above 25%. Your Company plans to acquire at least ₹ 900 Crores projects in FY17 and ₹ 1000 Crores projects in FY18.

Performance review

The highlights of our financial and operational performance during the year 2015-16 are:

- Total Income of ₹ 137 Crores
- Net Profit After Tax of ₹ 3.40 Crores
- Earnings Per Share of ₹0.3
- Cash Earnings Per Share of ₹0.94
- Net Worth of ₹ 379 Crores (over US\$ 58 million).

The reduction in Total Income and corresponding decrease in Net profit was due to take over / termination of above two projects. The Company has acquired new projects and plans to build its order book to more than ₹ 1000 Crores in FY 17. The Income from new projects shall be visible in FY17 and subsequent years. The Company is targeting Income of ₹ 400 Crores in FY17 and ₹ 650 Crores in FY18 from the new projects, maintaining EBITDA of above 25%. The Company's policy of keeping its leverage minimum shall help it in regaining its top and bottom-line at the earliest.

Outlook on Road sector

Road sector is one bright spot in the current gloomy economic scenario of industrial growth. The Road and surface transport ministry under the able leadership of Hon'ble Minister, Mr. Nitin Gadkari, has increased its target of road building from 22 Kms per day to 30 Kms per day. This means close to 70,000 Kms road shall be built in FY17. Out of these, NHAI is targeting completion of 15,000 Kms of National Highways in FY17. As per NHAI Chairman Mr. Raghav Chandra, NHAI may award 97 projects covering 6,631 Kms worth ₹ one lakh Crores during the current financial year.

PPP project on BOT / Annuity model has suffered a set back due to a mix of factors like challenges in land acquisition, environmental

clearances, delay in project completion and aggressive bidding leading to a dip in the investor sentiment. With leveraged balance sheets and lower revenue trends, the sector remains dependent on financial relief and Government orders. The Government has taken a multi-pronged approach to kick-start the activity by targeting resolution of key issues including revival of stalled projects, expediting new project awards and exploring a gamut of financing avenues for infra projects.

The Government has understood the importance of getting the PPP format right if private investments are to be attracted for public assets in a sustainable manner. The Government has realized the importance of partnership between the private and public sector for financing the creation of infrastructure assets but is yet not conceived & implemented. The current PPP format has gaps in the definition and understanding of roles and responsibilities of the parties to the PPP model. Hence, a panel is formed to revitalize the PPP model with an agenda of rebalancing project risk, with the sovereign bearing a significant proportion is a positive development. The panel has submitted its recommendations. Initiatives such as decentralization of project clearances by the environment ministry, awarding projects after acquiring 90% land and requisite approvals under the plug and play model, amendment to the arbitration law to set fixed timelines for dispute resolution, will help attract private sector participation. The Government of India has approved the hybrid annuity model (HAM) to increase the pace of award and construction of national highways apart from de-risking the developers and lenders from inherent shortcomings associated with conventional toll and annuity based DBFOT model.

Exit policy framework permitting concessionaires to get out of road projects two years after completion and one-time financial assistance from the National Highways Authority of India for the completion of road projects held up in advanced stages, are steps in the right direction for revitalizing the road sector. More regulatory teeth for the roads ministry for amending the model concession agreement and providing approvals in certain cases without reference to inter-ministerial committee or cabinet is also a welcome move.

Proactive governance and timely implementation (Pragati), launched by the centre to address stalled projects has helped revive nearly \$60 billion in central and state projects in the first half of the fiscal year. The Government also plans to give financial assistance to kick start the half completed projects. It is critical that the incomplete projects are helped so that the invested capacity can turn productive, improving the return potential to the capital providers.

Thus, private sector will surely get opportunities to grow the Road sector leading to overall economic growth of our country. Road sector contributes to 5-6% growth in GDP and thus vital for revival of economic growth. Road project awards will rise in 2016 as the Government puts infrastructure creation at the top of its agenda. Some of the Initiatives taken are:

- Ministry for Road Transport and Highways (MORTH) has announced that the target for laying out new roads in India will be increased to 150,000 Kms per year from 2016 compared to existing 96,000 Kms
- Ministry for Road Transport and Highways (MORTH), has informed that the Government has launched major initiatives to upgrade and strengthen 54,478 Kms of National Highways (NH) in the country
- MORTH showcased revival of 34 projects worth more than ₹ 26,000 Crores (US\$ 3.9 billion) in its latest presentation on infrastructure targets saying that the projects spanning over 4,084 Kms are being restructured or converted from public-private partnership to engineering, procurement and construction (EPC) mode to get them going
- The Special Accelerated Road Development Program - North East is aimed at developing road connectivity between remote areas in the North East with state capitals and district headquarters. The program is vested with the development of NHs of about 4,798 Kms and double laning and improvement of about 5,343 Kms of state roads. The total length approved under

this program was 388 Kms; out of which 104 Kms has already been 4/6 laned and the balance road length is at various stages of implementation. (Source: NHAI, April, 2015)

- The Government has approved a Road Requirement Plan (RRP) for improvement of road connectivity in Left Wing Extremism (LWE) affected areas of 34 Districts in 8 States covering 5,477 Kms, of which, 3,471 Kms of roads has been constructed as on February, 2015.

One of the biggest constraints for infrastructure projects is the availability of long term capital. Apart from higher budgetary allocation for 2015-16, the Government is exploring avenues to generate financing options for infra projects. Funding by multilateral institutions and the easing of foreign direct investment norms will help fund projects with foreign capital. Initiatives like business trusts, if swiftly brought to fruition, have the potential to unlock new growth capital for the sector from both retail and institutional investors. Flexibility in refinancing infra projects (5/25 scheme), CRR/SLR exemptions to banks with respect to infra bonds, proposed liberalization of external commercial borrowings policy and transmission of rate cuts by the Reserve Bank of India are likely to help the concessionaires ease the burden of project borrowings.

The Company has been pioneer in the BOT and EPC roads space for more than 35 years. The Company's superior execution skills and focus on profitability (as against merely on increasing sales) while looking for growth has helped the Company to be careful while bidding projects. This prudent approach to achieve sustainable growth has helped the Company during current tough time where many major players have faltered and are bleeding. In keeping with the changing environment, the Company has decided to focus on EPC /OMT / Hybrid Annuity model projects for future growth.

Your Company is qualified to bid for individual project worth ₹ 1500 Crores. State Government eligibility criterias are much relaxed as compared to NHAI and hence the Company can bid for much higher cost State awarded projects. Last 5 years average of our bid success ratio has been 23%. Your Company has been executing individual project worth more than ₹ 1000 Crores each for the last 4 years.

The manpower and machinery of Bihar project (EPC value - ₹ 1064 Crores) is currently available. Besides this, manpower and machinery of Ropar project (EPC value – ₹ 240 Crores) and Nagpur project (EPC value - ₹ 207 Crores) would be available in the current financial year, as these projects are nearing completion. Thus the Company is positioned well to take up new orders and carry out expeditious execution of new projects.

The Company has ensured potential of huge profitability and cashflows by pursuing policy of investments in land parcels near BOT project sites. Once these roads are ready, the Company develops those land parcels into commercial and residential property. Development of roads ensures not only increase in the value of land parcels manifold but also creates adequate demand for the commercial and residential property. The profits and cash flow from such projects help the Company not only to repay costly debt but also provides growth capital for its sustainable growth. The Company has already started one such project of a Residential Complex of over 6 lakh sq. ft. near its Mumbra Bypass. With a view to grow in a collaborative manner, the Company has entered into JVs with third-party developers for developing various commercial and residential projects with over 1 million sq. ft. of saleable area. This asset light model helps us to effectively use our capital while boosting our bottom line.

We believe in proactively preparing ourselves for achieving sustainable rapid growth by ensuring timely availability of necessary resources – be it human resources, finance, technology, equipments, infrastructure, systems, etc.

In the area of Corporate Governance, your Company is committed to the highest standards of probity, transparency, sustainability and corporate social responsibility.

I thank all our stakeholders for reposing confidence in our abilities and endeavours and expect to receive full support in taking the Company to newer heights.

Yours Sincerely,

Rajhoo Bbarot
Chairman

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“the Act”)

SPECIAL BUSINESS:

ITEM NO: 4 and 5

At the 31st Annual General Meeting of the Company held on August 9, 2014, the members had approved the appointment and remuneration of Mr. Rajhoo Bbarot, Chairman & Managing Director, for a period of 5 years with effect from January 22, 2015 by passing Ordinary Resolution.

At the 32nd Annual General Meeting held on September 28, 2015, the members had approved the appointment and remuneration of Mr. Rikiin Bbarot, Joint Managing Director, for a period of 5 years with effect from January 1, 2016 by passing Ordinary Resolution.

The Board of Directors at its meeting held on March 23, 2016 redesignated Mr. Rajhoo Bbarot as “Chairman” of the Company from “Chairman & Managing Director” and Mr. Rikiin Bbarot as “Managing Director” of the Company from “Joint Managing Director”.

However during the financial year 2015-16, due to the reduction in total income and corresponding decrease in net profit due to take over / termination of Mumbra and Bihar project, the profits of the Company has reduced as compared to the previous year and also due to increase in borrowing costs. As a result, the Company has made inadequate profit for the year ended March 31, 2016.

As the Company’s financial year 2015-16 resulted in inadequate profits, the Company seeks the Members approval pursuant to the provisions of Schedule V of the Companies Act, 2013 by way of Special Resolutions for payment of remuneration to each of Mr. Rajhoo Bbarot, Chairman and Mr. Rikiin Bbarot, Managing Director, for a period of three years from January 22, 2015 to January 21, 2018 and from January 1, 2016 to December 31, 2018 without changing the terms of appointment as already approved by the Members at the 31st and 32nd Annual General Meeting of the Company held on August 9, 2014 and September 28, 2015, respectively.

The said Special Resolutions were approved by the Nomination & Remuneration Committee on May 24, 2016 and the Board of Directors at their meeting held on May 27, 2016.

The Company has laid down standards, processes and structures which enables to implement adequate internal financial controls across organisation. During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed.

STATUTORY AUDITOR

Mr. Ajay B. Garg, Chartered Accountant, was appointed as the Statutory Auditor of the Company in the Annual General Meeting held on September 28, 2015.

He will retire at the conclusion of ensuing Annual General Meeting and is eligible for re-appointment.

The Company has received a certificate/declaration from the above Auditor to the effect that if he is reappointed, it would be in accordance with the provisions of Section 141 of the Companies Act, 2013.

Based on the recommendations of the Audit Committee, the Board of Directors of the Company proposes re-appointment of Mr. Ajay B. Garg, Chartered Accountant, as Statutory Auditor of the Company to hold office from the ensuing Annual General Meeting till the conclusion of 35th Annual General Meeting.

The Notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report does not contain any qualification, reservations or adverse remark.

SECRETARIAL AUDITOR AND SECRETARIAL AUDIT REPORT

Pursuant to Section 204 of the Companies Act, 2013, and Rules thereunder, a Secretarial Audit Report for the FY 2015-16 in Form MR 3 given by Mr. Ketan Dand, Practising Company Secretary, is attached as Annexure IV with this report.

The Secretarial Audit Report contains following qualifications, reservations or adverse remarks. The reason for the same are mentioned below:

Qualification 1:

The Company has not spent 2% of its average net profits during the year on Corporate Social Responsibility Activities as required under Section 135 of Companies Act, 2013 read with Schedule VII and The Companies (Corporate Social Responsibility) Rules, 2014.

Board's Explanation:

The Company is in the process of implementing viable projects activities and identifying appropriate projects and locations thereof for implementation under CSR Scheme.

Qualification 2:

The Company has only one Preference Shareholder, which is also its own associate Company to which it has not made payment of Dividend within 30 days of declaration. Further, such payment has been made from Current account of the Company and not from a separate Dividend account pursuant to Section 123 of Companies Act, 2013 and has not transferred unpaid dividend to separate Unpaid Dividend Account within 7 days from expiry of thirty days as required under Section 124 (1) of Companies Act, 2013. Further, under Section 124 (3) of the Companies Act, 2013, it was required to pay interest on amount not transferred to Unpaid Dividend Account at the rate of 12 % per annum, which has not been done.

Board's Explanation:

The Company has around 15,000 equity shareholders and only One Preference shareholder. The Company has received a letter from the Preference Shareholder stating that they will draw their dividend amount as per their request and without claiming any interest from the Company.

Qualification 3:

Delay in payment of the Listing Fees, Actual date of payment made is 13/07/2015 and due date is 30/04/2015.

Board's Explanation:

The Company has been regular in payment of Listing Fees. However due to oversight the payment of Annual Fees for Financial Year 2014-15 was made on 13th July, 2015 instead of 30th April, 2015. The Company had no intention to delay the payment.

Qualification 4:

The Company has kept Fixed Deposit with Corporation Bank amounting to 15 % of the deposits maturing during the current financial year and ensuing financial year as required under Rule 13 of Companies (Acceptance of Deposits) Rules, 2014. However, the Company has not named this Fixed deposit as "Deposit Repayment Reserve" with a Scheduled Bank.

Board's Explanation:

The Company has not accepted any new deposits from public during the last two years and the Fixed Deposit kept with Corporation Bank amounting to 15 % of the deposits maturing during the current financial year and next financial year still continues. The total matured amount will be repaid in FY 2016-17.

COST AUDITOR

The Board has appointed the M/s. Anup Palo & Co., Cost Accountant in whole time practice as cost auditor for conducting the audit of cost records of the Company for the financial year 2016-17.

As required under the Companies Act, 2013, the remuneration payable to the Cost Auditor is required to be placed before the shareholders in a General Meeting for their ratification. Accordingly, a resolution seeking shareholder's ratification for the remuneration payable to M/s. Anup Palo & Co., Cost Auditor is included at Item No. 7 of the Notice convening the Annual General Meeting.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st March, 2016

To,

The Members,
Atlanta Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Atlanta Limited (hereinafter called "the company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made in Annexure II:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder-

The Company has given loans to the following Companies:

- Atlanta Ropar Tollways Private Limited [Deemed public under Section 2(71)]
- Atlanta Infra Assets Limited
- Atlanta Tourism Ventures Limited
- Northeast Tollways Private Limited [Deemed public under Section 2(71)]

However, the Directors of the said Company declare that none of the Directors/ Manager of the Company are accustomed to act in accordance with the directions or instructions of the Board, or any of the director or directors of Atlanta Limited.

Also in accordance to the Concession Agreement provided to us, it has been brought to our notice that the said loans have been provided to fulfill the SPV's investment criteria as stipulated by contracting authorities – National Highway Authorities of India (NHAI) and Punjab Infrastructure Development Board (PIDB).

It is based on these representations made before us, we can certify that the provisions of Section 185 of Companies Act, 2013 have not been violated by these loans.

- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the company during the Audit period)
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

- The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during Audit period)
- The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during Audit period)
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during Audit period) and
- The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during Audit period)
- The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

- (vi) I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company. The list of major head/ groups of Acts, Laws and Regulations as applicable to the Company is given in Annexure II.

I have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India.
- The Listing Agreements entered into by the Company with the Bombay Stock Exchange and National Stock Exchange.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the observations contained in Annexure I

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Note: Please report specific observations / qualification, reservation or adverse remarks in respect of the Board Structures/system and processes relating to the Audit period.

MANAGEMENT DISCUSSION ANALYSIS

Atlanta Limited is an integrated infrastructure development Company with focus on fast growing roads segment through Engineering, Procurement, and Construction (EPC), Public-Private Partnership (PPP) and Build-Operate-Transfer (BOT) projects. Atlanta also pursues a diversified and de-risked portfolio in realty sector with strong presence in India's financial capital Mumbai. The Company is well poised to be a part of emerging opportunities in the roads & highways sector, as well as to be a part of the vibrant real estate sector.

INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK

India has the second largest roads network (4.9 million kms) in the world. India's road network consists of National Highways (NHs), State Highways (SHs), Major District Roads (MDRs), and Rural Roads (RRs), which includes other district roads and village roads (Refer Figure 1). All roads other than NHs in the states fall within the jurisdiction of respective State Governments. The NHs constitutes 2 per cent of India's road network but handle nearly 40 per cent of the total traffic. Roads remain the most important means of transport, accounting for around 85 per cent of the passenger traffic and 60 per cent of the freight traffic. Road transportation has gradually increased over the years with the improvement in connectivity between cities, towns and villages in the country.

Fig 1 - Type of Roads & their share

Type	Million Km	Percent share
National Highway	0.09	2
State Highway	0.14	3
District & Rural Road	4.65	95
Total Length	4.88	100

In India sales of automobiles and movement of freight by roads is growing at a rapid rate. Cognizant of the need to create an adequate road network to cater to the increased traffic and movement of goods, Government of India has earmarked 20 per cent of the investment of US\$ 1 trillion reserved for infrastructure during the 12th Five-Year Plan (2012–17) to develop the country's roads.

The construction of highways touched an all-time high of 6,029 kms during 2015-16. Prior to this, a maximum of 5,732 kms of national highway was constructed during 2012-13. While NHAI reported construction of nearly 2,000 kms, the rest came from works done by the road transport ministry through its agencies including state public works departments, Border Roads Organisation and ministry's entity NHIDCL for undertaking works in hill states. A strong focus on infrastructure growth through revival in investment has been identified by the government as one of the keys to accelerating the Indian economy. Rightly so, given that inadequate infrastructure is the biggest hindrance to doing business in India, and that the sector holds potential to create a multiplier effect on economic activity.

The Central Government remains a key investor financing India's infrastructure. Private investment was envisaged to be a source of funding for infrastructure projects through Public-Private Partnerships (PPPs). A mix of factors like challenges in land acquisition, environmental clearances, access to fuel supplies and aggressive bidding led to a dip in the investor sentiment in sectors like roads, ports and electricity generation, which had seen enthusiasm among private firms. With leveraged balance sheets and lower revenue trends, the sector remains dependent on financial relief and government ordering. The government has taken a multi-pronged approach to kick-start the activity by targeting resolution of key issues including revival of stalled projects, expediting new project awards and exploring a gamut of financing avenues for infra projects.

The Government has understood the importance of getting the PPP format right if private investments are to be attracted for public assets in a sustainable manner. The Government has also realized the partnership between the private and public sector for financing the creation of infrastructure assets is not yet well formed. The current PPP format has gaps in the definition and understanding of roles and responsibilities of the parties to the PPP model. Hence, a panel is formed to revitalize the PPP model with an agenda of rebalancing project risk, with the sovereign bearing a significant proportion, for a positive development. The panel has submitted its recommendations. Initiatives such as decentralization of project clearances by the environment ministry, awarding projects after acquiring land and requisite approvals under the plug and play model, amendment to the arbitration law to set fixed timelines for dispute resolution, will help attract private sector participation. The Government of India has approved the hybrid annuity model (HAM) to increase the pace of award and construction of national highways apart from de-risking the developers and lenders from inherent shortcomings associated with conventional toll and annuity based DBFOT model.

Exit policy framework permitting concessionaires to get out of road projects two years after completion and one-time financial assistance from the National Highways Authority of India for the completion of road projects held up in advanced stages, are steps in the right direction for revitalizing the road sector. More regulatory teeth for the roads ministry for amending the model concession agreement and providing approvals in certain cases without reference to inter-ministerial committee or cabinet is also a welcome move.

Proactive governance and timely implementation (Pragati), launched by the centre to address stalled projects has helped revive nearly \$60 billion in central and state projects in the first half of the fiscal year. It is critical that the incomplete projects are helped so that the invested capacity can turn productive, improving the return potential to the capital providers.

- Ministry for Road Transport and Highways (MORTH), has informed that the Government has launched major initiatives to upgrade and strengthen 54,478 kms of National Highways (NH) in the country.
- MORTH showcased revival of 34 projects worth more than ₹ 26,000 Crores (US\$ 3.9 billion) in its latest presentation on infrastructure targets saying that the projects spanning over 4,084 kms are being restructured or converted from Public-Private Partnership to Engineering, Procurement and Construction (EPC) mode to get them going. Of these, five projects have been handed over to the state Governments concerned while another 18 will be awarded in EPC mode.

Some of the key investments and developments in the Indian roads sector are as follows:

- National Highways Authority of India (NHA) has planned to acquire 10,000 hectares of land in FY 2015-16, up from 6,733 hectares in FY 2014-15, to speed up road laying in the country.
- Government of India plans to award 100 highway projects under the Public-Private Partnership (PPP) mode in 2016, with expectations that recent amendments in regulations would revive investor sentiments in PPP projects in the infrastructure sector.
- Ministry of Road Transport and Highways has undertaken development of about 7,000 kms of national highways at an estimated cost of Rs 80,000 Crores (US\$ 12 billion) in consultation with state Governments. National Highways Authority of India (NHA) has invited bids for preparing Detailed Project Reports (DPRs) for road developments.

- Cabinet Committee on Economic Affairs (CCEA) has permitted 100 per cent equity divestment by private developers after two years of construction completion for all Build–Operate–Transfer (BOT) projects, irrespective of the year of award of the project.
- Union Government approved the construction of around 1,000 kms of expressways at a cost of ₹ 16.68 Crores (US\$ 2.5 million) on a design-build-finance-operate-transfer (DBFOT) mode. The Government will also take up the development of 135 kms long Eastern Peripheral Expressway at an estimated cost of ₹ 5,763 Crores (US\$ 865 million).
- Ministry of Road Transports and Highways plans to award 273 road projects covering a length of around 12,900 kms at an estimated cost of ₹ 1,26,700 Crores (US\$ 19 billion) in FY 2015-16.
- The Cabinet Committee on Economic Affairs (CCEA) has approved a one-time fund infusion in road projects which are at least 50 per cent complete till November, 2014, but have not progressed further because of shortage of funds.
- MORTH has announced that the Government is planning a compensation policy for road sector developers, which will seek to compensate Companies for any delays related to clearance for road projects.
- With the objective of reviving private investment in the roads sector, MORTH is now working on two more models for attracting capital. One model proposes allowing bidding of a road project on the basis of the least present value, and the other envisages selling off road projects that have been built using Government funds.

Risks and Concerns

One of the biggest constraints for infrastructure projects is the availability of long term capital. Apart from higher budgetary allocation for 2015-16, the Government is exploring avenues to generate financing options for infra projects. Funding by multilateral institutions and the easing of foreign direct investment norms will help fund projects with foreign capital. Initiatives like business trusts, if swiftly brought to fruition, have the potential to unlock new growth capital for the sector from both retail and institutional investors. Flexibility in refinancing infra projects (5/25 scheme), CRR/SLR exemptions to banks with respect to infra bonds, proposed liberalization of external commercial borrowings policy and transmission of rate cuts by the Reserve Bank of India are likely to help the concessionaires ease the burden of project borrowings.

Government Initiatives

Road project awards will rise in 2016 as the government puts infrastructure creation at the top of its agenda. The transport ministry already has a target of awarding 10,000 kms of projects in FY16 as against 8,000 kms in FY15. The National Highways Authority of India plans to award 20,000 kms of projects over the next two years, involving an investment of ₹2.3 trillion.

The Government has unveiled investments plans totalling ₹ 10 trillion (US\$ 150 billion) in highways and shipping sector by 2019.

A total of 599 highways projects covering around 12,903 kms of national highways have been sanctioned, incurring an expenditure of ₹ 108,000 Crores (US\$ 16.2 billion).

Some of the recent developments are as follows

- Ministry for Road Transport and Highways (MORTH) has announced that the target for laying out new roads in India will be increased to 150,000 kms per year from 2016 compared to existing 96,000 kms.
- Government of India signed the agreement for third and last tranche of US\$ 273 million loan, out of total US\$ 800 million loan agreement with The Asian Development Bank (ADB), for constructing 6,000 kms of all-weather rural roads in Assam, Chhattisgarh, Madhya Pradesh, Odisha and West Bengal, by December, 2017.
- In the month of November, 2015, among various areas of infrastructure spending by the government, the roads segment led in terms of tenders issued (59 per cent of total tenders) and contracts awarded, with an increasing shift to Engineering, Procurement and Construction (EPC) type of contracts for road projects.
- India and Japan are planning to enter into a partnership and launch an infrastructure finance Company which will provide soft loans for Indian road projects with a credit target of ₹ 2 lakh Crores (US\$ 30 billion).

- The Special Accelerated Road Development Program - North East is aimed at developing road connectivity between remote areas in the North East with state capitals and district headquarters. The program is vested with the development of NHs of about 4,798 kms and double laning and improvement of about 5,343 kms of state roads. The total length approved under this program was 388 kms; out of which 104 has already been 4/6 laned and the balance road length is at various stages of implementation. (Source: NHA, April, 2015)
- The Government has approved a Road Requirement Plan (RRP) for improvement of road connectivity in Left Wing Extremism (LWE) affected areas of 34 Districts in 8 States covering 5,477 kms, of which, 3,471 kms of roads has been constructed as on February, 2015.

Market size

The value of roads and bridges infrastructure in India is projected to grow at a Compound Annual Growth Rate (CAGR) of 17.4 per cent over FY12–17. The country's roads and bridges infrastructure, which was valued at US\$ 6.9 billion in 2009 is expected to touch US\$ 19.2 billion by 2017. The financial outlay for road transport and highways grew at a CAGR of 19.4 per cent in the period FY 09-14. The plan outlay for 2015-16 stepped up budgetary support for Road Transport and Highways to ₹ 42,912 Crores (US\$ 6.43 billion).

Road Ahead

The year ahead holds promise for infrastructure as the centre pushes reforms aimed at giving faster approvals to stalled projects, providing easy access to funds and attracting overseas investors. 2016 will also see a spurt in deals across roads and power sectors as India regains favour for investments and firms look to consolidate businesses.

Companies that started off as contractors and shifted to an asset-heavy model of doing business are going back to the basics. Large infrastructure conglomerates, looking to clean up their balance sheets, are likely to focus on Engineering, Procurement and Construction (EPC) orders from the Government instead of Build, Operate and Transfer (BOT) projects that require heavy investment. Smaller Companies with lower debt will grow faster and win more projects.

The Government, through a series of initiatives, is working on policies to attract significant investor interest. The Indian Government plans to develop a total of 66,117 kms of roads under different programmes such as National Highways Development Project (NHDP), Special Accelerated Road Development Programme in North East (SARDP-NE) and Left Wing Extremism (LWE), and has set an objective of building 30 kms of road a day from 2016. The length of National Highways is expected to grow from 92,850 kms in 2013-14 to 100,000 kms by end of 2017.

NHAI's target for construction has been fixed at 8000 kms while the target for National Highways and Industrial Development Corporation (NHIDCL) is 7000 kms.

The road transport and highways ministry has set an ambitious target of laying more than 40 kms of roads every day in 2016-17, more than double the current pace. National Highways Authority of India (NHAI) will construct 8,000 kms in the fiscal year while the National Highways Industrial Development Corporation (NHIDCL), which lays roads in hilly areas, will construct 7,000 kms. The roads award target has been set at 25,000 kms against the 10,000 kms awarded last year. The construction target has been set at 15,000 kms against the 6,000 kms constructed last year. Of the total length of national highways targeted for award, 15,000 kms would be awarded by NHAI and 10,000 kms by NHIDCL, the ministry said in a statement. In 2015-16, the ministry was able to award 10,000 kms of highway contracts worth ₹ 1 lakh Crores. In the current budget, the road ministry has got an allocation of ₹ 57,000 Crores and NHAI has been allowed to raise tax-free bonds of ₹ 15,000 Crores.

Real Estate

Real estate industry is playing key role in the nation's progress towards achieving the status of 'developed nation' from a 'developing nation'. However, there is a consensus that infrastructure inadequacies would constitute a significant constraint in realising our growth potential.

An ambitious program of infrastructure investment has therefore been evolved for strengthening and consolidating recent infrastructure and real estate related initiatives. To supplement the estimates of Gross Capital Formation in infrastructure, the Planning Commission has made projections of public-private investments in each sector, basing these on a detailed review of sectoral trends and projected expenditures.

The Indian real estate sector plays a significant role in the country's economy, which is second only to agriculture in terms of employment generation and contributes heavily towards the gross domestic product (GDP). About five per cent of the country's GDP is contributed to by the housing sector.

Almost 80 per cent of real estate developed in India is residential space, the rest comprising of offices, shopping malls, hotels and hospitals. According to the Tenth Five-Year-Plan, there was a shortage of 22.4 million dwelling units. Thus, over the next 10 to 15 years, 80 to 90 million housing dwelling units will have to be constructed with a majority of them catering to middle- and lower-income groups.

The real estate sector comprises four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations.

It is also expected that this sector will incur more non-resident Indian (NRI) investments in both the short term and the long term. The Indian real estate market is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6 per cent to the country's Gross Domestic Product (GDP).

The latest estimates suggest 30 percent of India's population live in urban areas, which occupy only about 2.5 percent of India's land mass. This inefficiency is further compounded by large land parcels in urban areas being occupied by Defence, Port Trusts, Agricultural Universities, other Government / semi-Government institutes. Driven by a large demand supply mismatch the land values continue to rise unabated. The efficiency improvement of urban land mass alone can provide a solution for huge urban housing shortfall. The real estate sector is one of the most globally recognised sectors. In India, real estate is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade.

The Indian real estate market has become one of the most preferred

destinations in the Asia Pacific as overseas funds accounted for more than 50 percent of all investment activity in India in 2014, compared with just 26 percent in 2013. During the first nine months of 2015, Private Equity funds invested about US\$ 2.4 billion in the real estate sector, across 53 transactions compared to US\$ 1.3 billion across 57 transactions in the same period last year. Deal sizes have also increased in 2015, and residential projects both luxury and affordable have attracted a substantial amount of capital.

PE funds and Non-Banking Financial Companies (NBFCs) in India are seen increasingly investing jointly in real estate projects, in order to hedge risk and undertake bigger transactions.

India's office space absorption stood at 35 million sq. ft. during 2015, which is the second highest figure in history of India after 2011 and was driven by corporate implementing their growth plans. The Indian real estate sector has witnessed high growth in recent times with the rise in demand for office as well as residential spaces. According to data released by Department of Industrial Policy and Promotion (DIPP), the construction development sector in India has received Foreign Direct Investment (FDI) equity inflows to the tune of US\$ 24.156 billion in the period April, 2000 - September, 2015.

Overall urban housing demand in India is expected to grow by nearly 15 million units by the end of 2019.

Real Estate bill was introduced in Parliament. It was passed by the Rajya Sabha on March 10, 2016 and was passed by Lok Sabha on March 15, 2016. It shall come into force from such date as the Central Government may notify in the Official Gazette.

Some of the salient features of the Real Estate Bill are as follows:-

Bill seeks to set up Real Estate Regulatory Authority in states and union territories to oversee real estate transactions

- * This Bill regulates both commercial and residential real estate projects
- * Bill makes registration of real estate projects and real estate agents with the authority mandatory
- * It makes mandatory disclosure of details of all registered projects, including those about the promoter, project, layout plan, land status, approvals, agreements along with details of real estate agents, contractors, architect, structural engineer etc.
- * No pre-launch will be allowed without getting all approvals from the local authorities and without obtaining registration from the regulator. All incomplete projects are to come under the regulation
- * The bill covers any project that is more than 500 sq. meters or has more than eight apartments (states can lower this requirement further)
- * The authority can even order "compensation" to consumers in case of misleading advertisements
- * Developers will have to provide brief details of projects launched in the past five years, both completed or under-construction, and the current status of the projects. These may be made available on the regulator's website so buyers can take an informed decision
- * Disclosure of carpet area is a must as per the Bill
- * The Real Estate Bill has also made it compulsory for builders to deposit 70 per cent of the amount raised from buyers into an escrow account in a scheduled bank within a period of 15 days to cover the construction cost of the project for timely completion of the project
- * It seeks to establish fast track dispute resolution mechanisms for settlement of disputes through adjudicating officers and Appellate Tribunal

- * The bill bars civil courts from taking up matters defined in it. However, consumer courts are allowed to hear real estate matters. There are 644 consumer courts in the country. The more avenues for grievance redressal would mean lower litigation costs for the buyers
- * Promoters are barred from changing plans and design without consent of 2/3 buyers of the project
- * If the promoter does not register his property, he will have to pay up to 10 per cent of the project cost as penalty. If he dodges order issued by the RERA (Real Estate Regulatory Authority), he faces imprisonment for up to three years, and/or an additional fine of 10 per cent of the estimated cost of the project. In case the builder violates any other provision of the act, he will have to pay up to 5 percent of the estimate cost of the project. The fine for the agents is ₹ 10,000 per day during the period of violation of provisions. It also includes one year jail term for real estate agents and buyers if they violate the orders of the appellate tribunals.
- * The permission to approach consumer courts is a major relief for the buyers as there are 644 consumer courts in the country. It will offer more avenues for grievance redressal on lower costs for the buyers
- * Another key feature of the bill is the proposal to charge equal rate of interest for promoters and buyers in case of default or delays. The provision was earlier tilted in favour of the builders
- * The Bill has made it mandatory to set up an allottees association within three months of the allotment of major units/properties so that the residents can manage common facilities like a library and a common hall. Also, if the buyer finds any structural deficiency in the property then he/she can contact the developer for after-sales service within one year of possession.

With the implementation of the Bill the Property buyers will soon be able to check details about a project online. They can also monitor progress of construction and lodge a complaint if it is not completed on to schedule. As the Bill facilitates setting up real estate regulators at registered with the regulator can be the state level. Only projects sold, both residential and commercial. However, the fraternity of developers say that projects can be completed on time only if the entire systems, including civic departments that give approvals and build basic infrastructure around a project, are made equally accountable. Today a real estate development proposal involves about 60 approvals from 40 state and central government departments, supported by around 175 supporting document. All this needs to be streamlined.

Some Industry experts believe that if the bill is implemented in its current form without reforms in Government administration, it will push up prices of houses further. Developers say that if administrative reforms do not take place simultaneously and the Government cannot expedite approval processes to make it time bound, housing prices would likely go up by at least 20%. In the absence of administrative reforms, the Government should provide infrastructure status to the real estate sector, which may help the sector contain prices.

The bill has a provision of depositing 70 percent of the sales proceeds from a project in an escrow account so that it can be used for the explicit purpose of the project alone. But, normally, from the time a project is launched till its completion, only about 50 percent of the units are sold. Thus, to meet the deadline of possession, developers will have to borrow funds. This will allow the property prices to shoot up.

As per the developers after the enactment of the new law, all such financing costs would be included in the apartment's cost when a project is launched. If the sector is given 'infrastructure' status, it

could raise the balance amount from banks at cheaper rates than from other sources, which would push up financing cost and prices of the housing units.

To conclude, most experts believe that the bill will bring in much-needed transparency in the sector. This will help increase fund flow into the projects. The Real Estate Sector is struggling to get funds for projects as Companies are straddled with huge debts. This is a step in the right direction. It will go in favour of consumers as well as developers who do clean business. Even taking a clue from markets around the world such as UK and Australia, they attract huge FDI in housing as there is transparency in the sector. The real estate Industry has also welcomed the Bill however; they feel that the Government authorities sanctioning the projects should also be part of the proposed law.

Future Outlook

The year 2015 was largely subdued for the real estate sector especially with the housing segment continuing on its downturn, much in line with the anticipation of many. A limited number of transactions took place largely pushed by end user demand; new project launches reduced in numbers and the inventory pile up continued to plague the industry. The year ended for the housing sector with end users anticipating further corrections and hence delaying their buy decisions, project delays limiting the number of units that got completed, investors largely disappearing and developers' cash strapped. The story turned out to be much brighter for the commercial office space segment with a record 35 million sq. feet being absorbed in 2015, the second highest annual absorption levels in history.

It is quite evident that various initiatives of the current Government and administration have focused on making housing in the country more affordable, rising circle rates and duties have led to a check on non-white transactions in the market and sincere pressure has been placed on the developers to sell their inventory at lower prices. With policy initiatives like easing FDI in the sector, the Real Estate Regulatory Bill to make the industry more transparent and customer focused, further clarity on the Real Estate Investment Trusts (REITs), release of the list of the first twenty smart cities, budget allocations for Housing for all amongst others, the real estate sector is surely looking at building a stronger foundation for the future. Where does this leave us for the current fiscal? Well it largely would keep the sector in uncertainty, anticipation for further clarity and at a slow pace of development.

2015 saw a drop in the number of new launches across metros for residential projects, with inventory levels remaining high and a large number of projects still to be delivered it would be difficult to see a rise in the number of launches this year. New launches in Mumbai for the first six months of 2015 stood at 18,887 units. Project launches should remain at the last year levels in case not lower owing to the current market scenarios. With the ease in FDI, a large number of private developers have raised capital from the Private Equity sector which surely is going to keep a stern watch on the developments, with a focus on delivering projects. The new norms limiting developers from using receipts from one project for purposes other than construction of the project also should support faster deliveries. Secondary transactions in major metros will continue to remain a handful with a majority of them driven by end users; investors surely would stay away from this segment. It would not be a surprise to see further corrections in prices here, with developers stressed for cash-flows.

Office Spaces are surely going to be the segment to look out for in the year 2016-17. With a record breaking 2015 there is a lot of movement anticipated in this segment. The Indian economy is one of the few steadily growing economies in the world and there is a lot of anticipation in the industry for the year ahead. The recent showing

of India becoming a place where doing business is getting easier with the recent World Bank report, more foreign multinationals would want to enter the market and this year is sure to see some of these companies taking the plunge. The demand for high quality premium office spaces is sure to increase in the metros whereas mid-segment office spaces will continue to find it tough. There has been a sporadic increase in co-working spaces across the metro cities of the country, with more and more start-ups coming up in the country and a culture of shared workspaces becoming common with the youth this space is sure to gain momentum in this fiscal year. Co-working real estate space will also become more organized and structured with a wider bouquet of offering for its clients.

The retail segment was a big miss in the year 2015, with hardly any major traction being seen. Though the sector is sure to see an upward curve this fiscal year, with a number of Indian and foreign high street brands wanting to expand or make an entry into the Indian retail market there is sure to be a revival for retail real estate spaces.

2016-17 is sure to be an exciting year for the industry and should set the platform for revival in the coming years.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To, The Members of Atlanta Limited,

I have examined the compliance of conditions of Corporate Governance by Atlanta Limited ('the Company') for the financial year ended on March 31, 2016, as stipulated in Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 entered into by Atlanta Limited with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination has been limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me and based on the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Atlanta Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Atlanta Limited** ('the Company'), which comprise the balance sheet as at 31 March 2016, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of the standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and further to our comments in the 'Annexure-A', the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles

generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure-A' a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone financial statements.
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) on the basis of the written representations received from the directors as on 31 March 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164 (2) of the Act; and
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements, Refer Note No. 31 to the financial statements;
 - ii. The Company did not have any Long term contract including derivatives contract as such the question of commenting on any material foreseeable losses thereon does not arise.

‘Annexure – A’ to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2016, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of two years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the company.
- (ii) (a) As explained to us, the inventories have been physically verified during the year by the management. In our opinion, having regard to the nature and location of stocks, the frequency of the physical verification is reasonable.
- (b) In our opinion, the discrepancies noticed on physical verification of the inventory were not material in relation to the operations of the Company and the same have been properly dealt with in the books of account.
- (iii) The Company has loans granted to ten bodies corporate covered in the register maintained under section 189 of the Companies Act, 2013 (‘the Act’) and balance outstanding as on 31st March, 2016 were Rs.114,89,44,707/-.
- (a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company
- (b) In the case of the loans granted to the bodies corporate listed in the register maintained under section 189 of the Act, the borrowers have been regular in the repayment of principal on demand. All loans given are interest free hence question of payment of the interest does not arise. The terms of arrangements do not stipulate any repayment schedule and the loans are repayable on demand.
- (c) There are no overdue amount for more than 90days in respects of the loan granted to body corporate listed in the register maintained under section 189 of the Act.

- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
- (v) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 or any rules framed there under with regard to the deposits accepted from the public are not applicable. No order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal on the company.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the Companies (Cost records and audit) Rules 2014 and as prescribed by the Central Government under section 148(1) of the Act and are of the opinion that prima-facie, the prescribed accounts and cost records have been made and maintained by the Company. We have not however made a detailed examination of the cost records with a view to determining whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income tax, sales tax, wealth tax, duty of excise, service tax, duty of customs, employee's state insurance , value added tax, cess and other material statutory dues have been regularly deposited with few delay in some cases during the year by the Company with the appropriate authorities.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, wealth tax, service tax, duty of excise, duty of customs, value added tax, cess and other material statutory dues were in arrears as at 31 March 2016 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, there are no material dues of wealth tax, duty of customs and cess which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of income tax, sales tax, service tax and value added tax have not been deposited by the Company on account of disputes:

Name of the statute	Nature of dues	Amount (in Lakhs.)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	12,91,09,920/-	AY 2013-14	CIT (A) - 16, Mumbai

- (viii) Based on our Audit procedures and according to information and explanation given to us, the Company has paid dues to banks with certain delay. The Company has no overdue outstanding dues to financial institutions, banks or debenture holders as at 31st March 2016.
- (ix) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments. The term loans have been applied for the purpose for which they were obtained.
- (x) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- (xi) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided is in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- (xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- (xvi) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

‘Annexure – B’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2016.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. **Atlanta Limited** (‘the Company’), as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant accounting policies

B Basis of preparation

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statements are prepared on accrual basis under the historical cost convention, except for certain Fixed Assets which are carried at revalued amounts. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

The accounting policies adopted in the preparation of the financial statements are consistent with those used in the previous year.

C Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

D Fixed assets

Tangible fixed assets and depreciation

- i All fixed assets are stated at cost less accumulated depreciation thereon. The cost comprises the purchase price and attributable cost of bringing the asset to its working condition for its intended use. Revalued assets are stated at the revalued amount.
- ii Depreciation is provided as per useful lives and manner specified in Schedule II of the Companies Act 2013. Depreciation on the revalued component of the asset has been charged in the similar manner over the residual life of the assets and withdrawn from the revaluation reserve

E BOT Rights and Amortization

- i BOT Rights representing the concession rights in relation to toll roads to collect toll fees for the projects developed by Company on BOT basis. Such costs include all construction costs including sub-contract costs and other costs attributable to the said project asset including borrowing costs.
- ii Amortization of BOT Rights is provided in accordance with F.No.17/60/2012 CL -V dated March 31, 2014 issued by the Ministry of Corporate Affairs for fixing the amortization rates for non current assets being BOT Tolling Assets.

F Capital work-in-progress

i Real Estate

Projects under commissioning and other capital work-in-progress are carried at cost, comprising of direct cost, related incidental expenses, interest and other financing cost payable on funds specifically borrowed to the extent they relate to the period till assets are put to use.

ii Construction Contracts (EPC)

The work in progress has been determined by the Management at the estimated realizable value.

The value of work in progress comprises of value of materials and expenses incurred at site including estimated profits thereon in terms of guidelines provided under Accounting Standards (AS - 7) on Construction Contracts

G Investments

- i Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments.
- ii On initial recognition, all investments are measured at costs. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.
- iii Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of long term investments.
- iv On disposal of an investment, the difference between the carrying amount and the net disposal proceeds is charged to the statement of profit and loss.
- v Current investments are carried at the lower of cost and quoted/fair value, computed category wise. Long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management

H Sundry Debtors / Loans and Advances:

Sundry Debtors / Loans and Advances are stated net of provision for identified doubtful debts/advances. Sundry Debtors and Loans and Advances has been taken at the reconciled amount for the parties from which the balance confirmation was received and for the rest balances are taken as per book balance. As and when the confirmations with respect to the balances will be received the reconciliations will be done and the adjustments, if any, on this account will be made. In the opinion of the management, on which reliance is placed by us and subject to reconciliations referred above, the debts and Loans and advances to the extent as stated are considered good in the Balance Sheet are fully recoverable.

ATLANTA LIMITED

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

I Borrowing costs

Borrowing costs are accounted on accrual basis. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

Other Borrowing costs are recognised as expenditure in the period in which they are incurred.

J Contingent liability

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognized but disclosed in notes forming part of the financial statements. Contingent assets are neither recognized nor recorded in financial statements.

K Inventories

i Construction Materials are valued and stated at lower of cost or net realizable value.

ii Work in progress (i.e. unbilled contract expenditure) on the construction contracts reflects value of material input and expenses incurred on the contracts including the estimated profits thereon after adjusting progress billing in the manner provided under Accounting Standards (AS - 7) (revised) on construction Contracts.

L Revenue recognition

The company follows the mercantile system of accounting and recognizes revenue / income, cost / expenditure on accrual basis except in the case of significant uncertainties. The principles of revenue recognition are given below:

i Income from Projects under Long Term Contracts is recognized on the Percentage of completion basis in the manner specified under Accounting Standards (AS - 7) (Revised) on Construction Contracts. As the long term contracts necessarily extend beyond one year, revision in the costs and revenues estimated during the course of contract are reflected in the accounting period in which the facts requiring revision become known.

ii Additional claim including escalations, which in the opinion of the management, are recoverable on the contract are recognized at the time of evaluating the job.

iii The determination of revenue under the Percentage of Completion Method necessarily involves making estimates by the Company which are of technical nature concerning, where relevant, the percentage of completion, costs to completion, the expected revenue from the projects and the losses, if any, to completion. Such estimates, made by the Company, have been relied upon by the Auditors as these are of technical nature.

iv Revenue from other contracts is recognized based on billing schedules agreed with the clients on Progressive Completion basis.

v Revenue from toll collection is recognized on the receipt of toll from users of the concession facility.

vi Interest income is recognized on time proportion basis.

vii Dividend income is recorded when the right to receive the dividend is established.

viii Other revenues are accounted on accrual basis.

M Turnover

i In respect of Engineering, Procurement and Construction (EPC) contract, where the Company is also responsible for designing and engineering in addition to procurement and construction, the percentage of completion and the turnover there from is based on physical proportion of contract work as per the certificate of the Independent Consulting Engineer.

ii In respect of other contracts and other project related activities, the turnover is recognized by applying Percentage of Completion method to the total contract cost, along with an estimated profit thereon. The percentage of completion is determined by applying the proportion of the cost incurred to date to the total estimated project cost.

iii Turnover includes toll collection of BOT infrastructure project and mining.

N Foreign currency transactions

i Initial currency transaction

Foreign exchanges are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii Conversion

Foreign currency monetary items are reported using closing rate. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the value were determined.

iii Exchange Difference

Exchange difference arising on the settlement /conversion of monetary items is recognized as income or expenses in the year in which they arise.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

O Retirement benefits

- i a) Contribution to defined contribution plans such as retirement benefit in the form of Provident Fund Schemes whether in pursuance of law or otherwise is accounted on accrual basis and charged to Profit and Loss account of the year. accrual basis.
- b) Gratuity in respect of past and present services of the employees is being accounted for an accrual basis based on actuarial valuation.
- c) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.
- ii Defined benefit plans like gratuity are determined based on actuarial valuation carried out by an independent actuary at the balance sheet date using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit, and measures each unit separately to build up final obligation.
- iii In relation to short term employees benefits cost of accumulated compensated absences accounted when employees render the services that increase their entitlement of future compensated absences; and cost of non-accumulating compensated absences, when the absences occur.
- iv No separate provision has been made in respect of leave encashment as the same is paid to employees as and when it is claimed.

P Taxes on income

- i Income tax expenses for the period comprises of current tax and deferred tax is included in determining the Net profit / (Loss) for the period.
- ii Current Tax provision has been determined on the basis of relief, deductions etc. available under the Income Tax Act.
- iii Deferred Tax is recognized for all timing differences between taxable income and the accounting income, which originate in one period and are capable of reversal in one or more subsequent periods. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws enacted or substantively enacted as of the Balance Sheet date.

Q Earnings per Share

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standards (AS-20) on Earnings Per Share. Basic EPS is computed by dividing the net profit or loss for the year/period by the weighted average number of Equity Shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year/period by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all dilutive potential Equity Shares.

R Impairment of assets

As at each balance sheet date, the carrying amount of assets is tested for impairment so as to determine:

- i) The provision for impairment loss required, if any, or
- ii) The reversal required of impairment loss recognised in previous periods, if any. Impairment loss is recognised when the carrying amount of asset exceeds its recoverable amount.
- iii) Recoverable amount is determined in the case of an individual asset, at higher of net selling price and the value in use.

S Provisions

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- i The Company has a present obligation as a result of past event;
- ii A probable outflow of resources is expected to settle the obligation and;
- iii The amount of obligation can be reliably estimated.

Provisions made in terms of Accounting Standards (AS-29) are not discounted to its present value and are determined based on the management estimates required to settle the obligation at the balance sheet date.

U Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

V Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in the Accounting Standards (AS – 3) on Cash Flow Statement and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the cash flow statement consist of cash on hand and balance with banks.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Atlanta Limited Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of M/s. **ATLANTA LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its associates and jointly controlled entities, comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes

evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at 31st March, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matters

Without qualifying our opinion and based on information and explanations given to us and audit report of subsidiaries, associates, jointly controlled entities not audited by us, furnished to us by the management whose financial statement have been audited by the other auditors, we draw attention to the following:

Note no 13.5 to the Consolidated financial statements which describe that in the matter of one of the subsidiary (M/s. MORA Tollways Limited) of Holding Company not audited by us, the other auditor who audited the financial statements of the subsidiary whose reports have been furnished to us by the Management, has been emphasized that the Hon'ble Patna High court decision dated 12.05.2016, holding company's letter of termination valid and directed the Authority (BSRDCL) to pay termination amount. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the continuation of the project. However, the financial statements of the subsidiary have been prepared on a going concern basis for the reasons stated in the said Note.

In case of one of the subsidiary (M/s. Atlanta Infra Assets Limited) of the Holding Company not audited by us, the other auditor who audited the financial statements of the subsidiary whose reports have been furnished to us by the Management, has been emphasized that it does not have any liability towards post employment benefits expense with respect to its employees. Hence it has not adopted AS-15 "Employee Benefits" with regard to provision for gratuity and disclosure requirements specified in the accounting standard applicable for defined benefit plans'

In case of one of the subsidiary (M/s. Atlanta Infra Assets Limited) of the Holding Company not audited by us, the other auditor who audited the financial statements of the subsidiary whose reports have been furnished to us by the Management, has been emphasized that there were technical problems of retrieving backup data relating to collections of toll revenue for the period from April 2015 to December 2015. Hence we had to rely on the data provided by the management to verify the revenues on account of toll collections.

Our opinion is not modified in respect of this matter.

Other Matters

- (a) We have not audited the financial statements of 7 (Seven) subsidiaries/associates included in the Consolidated financial statements whose financial statements reflected the Group's share of **total assets of ₹ 1,35,797.20 Lacs** as at 31st March 2016, the Group's share of **total revenue of ₹ 2342.34 Lacs** and **net cash flows amounting to ₹ (46.93) Lacs** for the year then ended. These financial statements have been audited by other auditors whose reports have been furnished to us by

the management and our opinion, in so far as it relates to the amounts included in respect of these subsidiaries/associates is based solely on the report of the other auditors.

These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial Information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. Companies (Auditor's Report) Order, 2016 ("the Order"), Issued by the Central Government of India In terms of sub-section (11) of Section 143 of the Act, not applicable to consolidated financial statement and hence not commented upon.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, associate companies and jointly controlled companies incorporated in India, none of the directors of the Group companies, its associate companies and jointly controlled companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group, subsidiary companies, associate companies and jointly controlled entities and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were pending litigations which would impact the consolidated financial position of the Group, its associates and jointly controlled entities are properly disclosed in Note No. 13 and 33.
 - ii. The Group, its associates and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been delayed by 33 days in transferring amounts of ₹ 1,37,718/-, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There has been no such delayed by its subsidiary companies, associate companies and jointly controlled companies incorporated in India.

‘Annexure – A’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the consolidated financial statements of the Company for the year ended March 31, 2016.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of **M/s. Atlanta Limited** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except in case of one of the subsidiary (M/s. Atlanta Infra Assets Limited) of the Holding Company not audited by us, the other auditor who audited the financial statements of the subsidiary whose reports have been furnished to us by the Management, has been expressed disclaimer of opinion that the system of internal financial controls over financial reporting were not made available to enable to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively on March 31 2016.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 6 (six) subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

A Corporate profile

Atlanta Limited (referred to as "the Company") and its subsidiaries are engaged in the business of Infrastructure Development on Engineering, Procurement and Construction (EPC) basis and Public Private Partnership (PPP) Model on Build, Operate and Transfer (BOT) and Design, Build, Finance, Operate and Transfer (DBFOT) basis. Infrastructure Development activities include, inter-alia, Construction of Roads, Highways, Bridges and Runways on Build, Operate and Transfer (BOT) and Design, Build, Finance, Operate and Transfer (DBFOT) basis. The Company is also involved in Real Estate Development, Tourism, Infrastructure business segment and Mining of coal, lime stones.

SIGNIFICANT ACCOUNTING POLICIES

B Basis of preparation

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statements are prepared on accrual basis under the historical cost convention, except for certain Fixed Assets which are carried at revalued amounts. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

The accounting policies adopted in the preparation of the financial statements are consistent with those used in the previous year.

C Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

D Fixed assets

Tangible fixed assets and depreciation

- i All fixed assets are stated at cost less accumulated depreciation thereon. The cost comprises the purchase price and attributable cost of bringing the asset to its working condition for its intended use. Revalued assets are stated at the revalued amount.
- ii Depreciation is provided as per useful lives and manner specified in Schedule II of the Companies Act 2013. Depreciation on the revalued component of the asset has been charged in the similar manner over the residual life of the assets and withdrawn from the revaluation reserve.

E BOT Rights and Amortization

- i BOT Rights representing the concession rights in relation to toll roads to collect toll fees for the projects developed by Company on BOT basis. Such costs include

all construction costs including sub-contract costs and other costs attributable to the said project asset including borrowing costs.

- ii Amortization of BOT Rights is provided in accordance with F.No.17/60/2012 CL -V dated March 31, 2014 issued by the Ministry of Corporate Affairs for fixing the amortization rates for non-current assets being BOT Tolling Assets. The Company has computed amortization in accordance with the new Schedule II order.

F Capital work-in-progress

i Real Estate

Projects under commissioning and other capital work-in-progress are carried at cost, comprising of direct cost, related incidental expenses, interest and other financing cost payable on funds specifically borrowed to the extent they relate to the period till assets are put to use.

ii Construction Contracts (EPC)

The work in progress has been determined by the Management at the estimated realizable value.

The value of work in progress comprises of value of materials and expenses incurred at site including estimated profits thereon in terms of guidelines provided under Accounting Standards (AS-7) on Construction Contracts

G Investments

- i Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments.
- ii On initial recognition, all investments are measured at costs. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.
- iii Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of long term investments.
- iv On disposal of an investment, the difference between the carrying amount and the net disposal proceeds is charged to the Statement of Profit and Loss.
- v Current investments are carried at the lower of cost and quoted/fair value, computed category wise. Long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

H Borrowing costs

- a) Borrowing costs are accounted on accrual basis. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

ATLANTA LIMITED
NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

- b) Other Borrowing costs are recognised as expenditure in the period in which they are incurred.

I Sundry Debtors / Loans and Advances

Sundry Debtors / Loans and Advances are stated net of provision for identified doubtful debts/advances. Sundry Debtors and Loans and Advances has been taken at the reconciled amount for the parties from which the balance confirmation was received and for the rest balances are taken as per book balance. As and when the confirmations with respect to the balances will be received the reconciliations will be done and the adjustments, if any, on this account will be made. In the opinion of the management, on which reliance is placed by us and subject to reconciliations referred above, the debts and Loans and advances to the extent as stated are considered good in the Balance Sheet are fully recoverable.

J Contingent liability

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognized but disclosed in notes forming part of the financial statements. Contingent assets are neither recognized nor recorded in financial statements.

K Inventories

- i Construction Materials are valued and stated at lower of cost or net realizable value.
- ii Work in progress (i.e. unbilled contract expenditure) on the construction contracts reflects value of material input and expenses incurred on the contracts including the estimated profits thereon after adjusting progress billing in the manner provided under Accounting Standards (AS-7) (revised) on Construction Contracts.

L Revenue recognition

The Company follows the mercantile system of accounting and recognizes revenue / income, cost / expenditure on accrual basis except in the case of significant uncertainties. The principles of revenue recognition are given below:

- i Income from Projects under Long Term Contracts is recognized on the percentage of completion basis in the manner specified under Accounting Standards (AS-7) (revised) on Construction Contracts. As the long term contracts necessarily extend beyond one year, revision in the costs and revenues estimated during the course of contract are reflected in the accounting period in which the facts requiring revision become known.
- ii Additional claim including escalations, which in the opinion of the management, are recoverable on the contract are recognized at the time of evaluating the job.
- iii The determination of revenue under the Percentage of Completion Method necessarily involves making estimates by the Company which are of technical nature concerning, where relevant, the percentage of completion, costs to completion, the expected revenue from the projects and the losses, if any, to completion. Such estimates, made by

the Company, have been relied upon by the Auditors as these are of technical nature.

- iv Revenue from other contracts is recognized based on billing schedules agreed with the clients on Progressive Completion basis.
- v Revenue from toll collection is recognized on the receipt of toll from users of the concession facility.
- vi Interest income is recognized on time proportion basis.
- vii Dividend income is recorded when the right to receive the dividend is established.
- viii Other revenues are accounted on accrual basis.

M Turnover

- i In respect of Engineering, Procurement and Construction (EPC) contract, where the Company is also responsible for designing and engineering in addition to procurement and construction, the percentage of completion and the turnover there from is based on physical proportion of contract work as per the certificate of the independent consulting engineer.
- ii In respect of other contracts and other project related activities, the turnover is recognized by applying Percentage of Completion Method to the total contract cost, along with an estimated profit thereon. The percentage of completion is determined by applying the proportion of the cost incurred to date to the total estimated project cost.
- iii Turnover includes toll collection of BOT infrastructure project and mining.

N Foreign currency transactions

i Initial currency transaction

Foreign exchanges are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii Conversion

Foreign currency monetary items are reported using closing rate. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the value were determined.

iii Exchange Difference

Exchange difference arising on the settlement /conversion of monetary items is recognized as income or expenses in the year in which they arise.

O Retirement benefits

- i a) Contribution to defined contribution plans such as retirement benefit in the form of Provident Fund Schemes whether in pursuance of law or otherwise is accounted on accrual basis and charged to profit and loss account of the year.
- b) Gratuity in respect of past and present services of the employees is being accounted for on accrual basis based on actuarial valuation.

ATLANTA LIMITED
NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

c) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

ii Defined benefit plans like gratuity are determined based on actuarial valuation carried out by an independent actuary at the balance sheet date using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit, and measures each unit separately to build up final obligation.

iii In relation to short term employees benefits cost of accumulated compensated absences accounted when employees render the services that increase their entitlement of future compensated absences; and cost of non-accumulating compensated absences, when the absences occur.

iv No separate provision has been made in respect of leave encashment as the same is paid to employees as and when it is claimed.

P Taxes on income

i Income tax expenses for the period comprises of current tax and deferred tax is included in determining the Net profit / (Loss) for the period.

ii Current Tax provision has been determined on the basis of relief, deductions etc. available under the Income Tax Act.

iii Deferred Tax is recognized for all timing differences between taxable income and the accounting income, which originate in one period and are capable of reversal in one or more subsequent periods. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws enacted or substantively enacted as of the Balance Sheet date.

Q Earnings per Share

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standards (AS-20) on Earnings Per Share. Basic EPS is computed by dividing the net profit or loss for the year/period by the weighted average number of Equity Shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year/period by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all dilutive potential Equity Shares.

R Impairment of assets

As at each balance sheet date, the carrying amount of assets is tested for impairment so as to determine:

- i) The provision for impairment loss required, if any, or
- ii) The reversal required of impairment loss recognised in previous periods, if any, Impairment loss is recognised when the carrying amount of asset exceeds its recoverable amount.
- iii) Recoverable amount is determined In the case of an individual asset, at higher of net selling price and the value in use.

S Provisions

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- i The Company has a present obligation as a result of past event
 - ii A probable outflow of resources is expected to settle the obligation and
 - iii The amount of obligation can be reliably estimated
- Provisions made in terms of Accounting Standards (AS-29) are not discounted to its present value and are determined based on the management estimates required to settle the obligation at the balance sheet date.

T In the opinion of the Board, except otherwise stated all assets other than fixed assets and non current investments, have a realisable value in the ordinary course of business which is not different from the amount at which it is stated. The provision for current liabilities and other liabilities is adequate and not in excess of amount reasonably necessary.

U Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

V Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in the Accounting Standards (AS-3) on Cash Flow Statement and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the cash flow statement consist of cash on hand and balance with banks.

13.1 The gross block of fixed assets includes ₹ 2,28,07,373/- (Previous year ₹ 2,28,07,373/-) on account of revaluation of office premises and certain plant and machinery carried out in the year ended on March 31, 2000. Consequent to the said revaluation there is an additional charge of depreciation of ₹ 4,51,250/- (Previous year ₹ 4,51,250/-) and equivalent amount has been withdrawn from revaluation reserve and credited to statement of profit and loss. This has no impact on profit for the year.

13.2 The Company has terminated the Concession Agreement dated 10-09-2011 for the Authority defaults on 20-02-2015 for the work of "Four Lining of the Mohania-Aia Section of NH-30 (From Km.0.000 to Km. 116.760) in the State of Bihar on Design, Build, Finance, Operate, Transfer (DBFOT-Toll) basis." The Company has Claimed termination payment amounting to ₹ 610.53 Crores plus interest of contractual rate from Bihar State Road Development Corporation Limited pursuant to Article 37 of the Concession Agreement.

13.3 The Company filed Civil Writ Jurisdiction Case No. 7259 of 2015 in the High Court of Judicature at Patna. The said Writ Petition has been disposed off by the Hon'ble Single Judge vide order dated 22-08-2015, wherein the termination by the Company has been upheld as valid and legal and the subsequent termination by the Authority has been set aside. The termination payment of ₹ 610.53 Crores along with interest at the contractual rate has also been upheld.

13.4 The said order of the Hon'ble single judge was challenged in LPA no. 2518 of 2015 by the Authority and LPA no. 2084 of 2015 by the State of Bihar. The said LPA's have been disposed off by a common order dated 12-05-2016. All the LPA's along of the Authority and the State of Bihar have been dismissed and the claim of termination payment amounting to ₹ 610.53 Crores plus interest at the contractual rate has been upheld and directed to be paid within a period of 3 months from the date of pronouncement of the Judgment.

13.5 In view of Hon'ble Patna High court decision dated 12-05-2016, where Company's letter of termination was upheld as valid and directed the Authority (BSRDC) to pay termination amount along with interest within 3 months, the Company has not received any final communication from the authority in regard. Since final action is not communicated by the authority, the Company has prepared its financial statement as on 31-03-2016 on ongoing concern basis.

PROCEDURE AND INSTRUCTIONS FOR e-VOTING & INSTAPOLL

- I. Remote e-voting: In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and the provisions of Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by Karvy Computershare Private Limited (Karvy) on all resolutions set forth in this Notice, from a place other than the venue of the Meeting (Remote e-voting).
- (A) In case a Member receives an email from Karvy [for Members whose email IDs are registered with the Company/Depository Participants (s)]:
- Launch internet browser by typing the URL: <https://evoting.karvy.com>.
 - Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote.
 - After entering these details appropriately, click on "LOGIN".
 - You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - You need to login again with the new credentials.
 - On successful login, the system will prompt you to select the "EVENT" i.e., "Name of the Company"
 - On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
 - Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.
 - Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
 - You may then cast your vote by selecting an appropriate option and click on "Submit".
 - A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
 - Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at email auditor@atlantainfra.com with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format "Corporate Name_Event No."
- (B) In case of Members receiving physical copy of Notice [for Members whose email IDs are not registered with the Company/Depository Participants (s)]:
- E-Voting Event Number – XXXX (EVEN), User ID and Password is provided in the Attendance Slip.
 - Please follow all steps from Sl. No. (i) to (xii) above to cast your vote by electronic means.
- II. Voting at AGM: The Members, who have not cast their vote through Remote e-voting can exercise their voting rights at the AGM. The Company will make necessary arrangements in this regard at the AGM Venue. The facility for voting through ballot shall be made available at the Meeting. Members who have already cast their votes by Remote e-voting are eligible to attend the Meeting; however those Members are not entitled to cast their vote again in the Meeting. A Member can opt for only single mode of voting i.e. through Remote e-voting or voting at the AGM. If a Member casts votes by both modes then voting done through Remote e-voting shall prevail and vote at the AGM shall be treated as invalid.

OTHER INSTRUCTIONS

- In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and E-voting user manual available at the download section of <https://evoting.karvy.com> (Karvy Website) or contact B Srinivas (Unit: ATLANTA LIMITED) of Karvy Computershare Private Limited, Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032 or at evoting@karvy.com or phone no. 040 – 6716 2222 or call Karvy's toll free No. 1-800-34-54-001 for any further clarifications.
- You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- The remote e-voting period commences on September 12, 2016 (09.00 a.m.) and ends on September 15, 2016 (05.00 p.m.). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of September 09, 2016 may cast their votes electronically. A person who is not a Member as on the cut-off date should treat this Notice for information purposes only. The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution(s) is cast by the Member, the Member shall not be allowed to change it subsequently.
- The voting rights of Members shall be in proportion to their share of the paid up equity share capital of the Company as on the cut-off date i.e. September 09, 2016.
- In case a person has become a Member of the Company after dispatch of AGM Notice but on or before the cut-off date for E-voting i.e., September 09, 2016, he/she may obtain the User ID and Password in the manner as mentioned below :
 - If the mobile number of the member is registered against Folio No./ DP ID Client ID, the member may send SMS: **MYEPWD** <space> E-Voting Event Number+Folio No. or DP ID Client ID to 9212993399
